KHN BASIC FINANCIAL ASSISTANCE PROGRAM

The KHN Basic Financial Assistance Program is offered to uninsured and insured patients. For patients to qualify their household income must be between 251% and 400% of the Federal Poverty Level to be eligible for a 76% reduction off gross charges on hospital based charges for uninsured patients or a partial adjustment on patient balance after insurance payments. Non-covered services include physician services, flat fees or cosmetic surgeries and substance abuse rehab.

KHN EXTENDED FINANCIAL ASSISTANCE PROGRAM

The KHN Extended Financial Assistance Program is offered to the uninsured and insured. Patient who qualify are eligible for 100% discount off hospital based charges. Non-covered services include physician services, flat fees or cosmetic surgeries and substance abuse rehab.
