Kettering Health Network is a national leader in orthopedic care. As a result of our high-quality care, patients overcome pain and limitations while regaining function and strength so they can maintain a healthy and active life.

Specialized services:
- Joint replacement
- Hand and upper extremity procedures
- Sports medicine
- Foot and ankle procedures
- Physical and occupational therapy
- Inpatient rehabilitation program
- Pain management
- Athletic trainers
- Sports performance improvement

Reasons to trust your patients to us
- We perform more total joint replacements than any other health care system in Dayton—nearly 4,000 joint replacements each year.
- Our surgeons perform more foot & ankle, hand, joint, and sports medicine procedures than any other health system in the greater Dayton area.
- Our patient satisfaction scores for joint replacement are in the top decile in the country. We have a skilled, compassionate, and cohesive team of nurses, therapists, and physicians that work closely together to provide exceptional care.
- We offer same-day and next-day appointments.

For more information or referral details, please call (937) 384-3827 or email orthodoc@ketteringhealth.org
